*In this application, counsel  
for the debtor has advised  
she is not attending today.*

The application is, with one  
exception, unopposed.

Mr. Togo represents a Que co.  
which was not found. No relief

is sought with that co. at this time.

I am satisfied that the  
30 per cent should be collapsed.

There is no prospect of a  
successful New York PBC  
dominant position.

Order to give appointing  
Fulton Landon as receiver.

I am also satisfied that  
the reports for judgment  
should have (without prejudice to  
Mr. Togo's client's position)

Orders to give in full  
from signed by me this day.
